

Asfordby Captain's Close Primary School

Newsletter - Spring Term 2 2020

Firstly, I would like to say how friendly and supportive everyone has been both before and since this very unprecedented time. You all have made me feel very welcome so simply thank you!

Since the school closure, I have been blown away by the resilience and interaction from all the children and parents regarding your self-isolating and accessing the home school learning. There have been some challenges, linked to TEAMS but hopefully most of these have been addressed. If you are still having any issues, please email the ICT team on the link at the end of the newsletter.

There are a few examples of work produced and uploaded to TEAMS by the children shown below. Why not add them to Twitter to show others the amazing work that has been undertaken by your child/children? The work is simply outstanding.

Before the school closure, I began asking children to bring their work to me, as I enjoy sharing all learning experiences with the children. They all explained confidently what they had learnt and the challenges they overcame. I am a great believer that, if a child can explain their learning to another child/adult, they understand the key skill being taught. These children have gone into the 'Golden Book' and are listed on the next page. In addition, on the last day before the school closed, we held a school celebration assembly. The teachers nominated one child from their class linked to the learning behaviours in school. These children were:

Achievement Awards

R - Tommy Worthington	Y4 - Ailie Love
Y1 - Olivia Thomas	Y5 - Sam Martin
Y2 - Jessie-Jane Ogleby	Y6 - Olivia Ullathorne
Y3 - Alfie Cole	

Congratulations to all the children. Who will be next to receive an award?

Finally, in the newsletter there is additional information that you will find useful. Please keep yourselves safe and isolated.

Happy Easter

Mrs Bailey
