Captains have taken three lucky students to Nottingham Trent university this week, we attended a Student Leadership Conference where our three leaders collected ideas and created plans to make our school and community more sustainable using the knowledge they have gained from the workshops they took part in.

Picture perfect : What sports activities do your children enjoy out of school? We would love to see some pictures sent in to celebrate out-of-school achievements—send them in to office@dsatcaptainsclose.org and they will be forwarded on to our sports coach and class teachers!

Welcome to our weekly school update,

It has been a wonderful start to our term and over the past 3 weeks I have had the pleasure of getting to know the children and staff across school. The children have responded to the changes across school including new self-regulation and sensory spaces, reading corners in the classrooms and improvements to classroom environments and outside.

As you are aware there has been a few changes to our systems which we have had some teething problems but we are finally getting up and running .

In our school updates we hope to share some of our headline events and information for our families and will continue to use our website, social media and Ping to ensure our families are kept up to date with upcoming events.

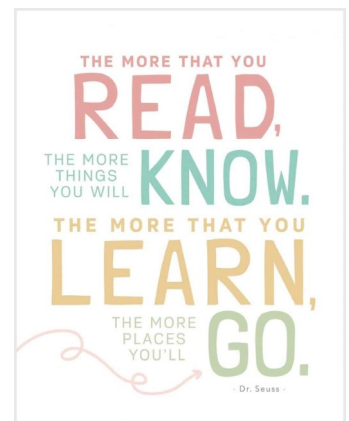

We have also sent a year diary of events we have planned, sometimes there may be small changes if needed but as trips, sports and music events are planned in we will communicate these in this newsletter or on ping.

Next week we will be communicating our new attendance policy and parent code of conduct, we will also continue to share some events happening across school and in the local community.

As a team we are excited for the year ahead, if you do have any questions or wish to talk to us about anything please feel free to email in and we can arrange a time to meet.

Have a wonderful weekend.

Mrs Willcock

We are looking for any of our family or community members who are able to help us with the following roles in school. Please contact the school office for more information. We are looking for the following roles:

- A parent governor to join our wonderful governing board.
- A community governor
- An individual or mini group who can help with our library/support in our library.
- Anyone interested in supporting cooking /gardening/ forest school.
- Someone who has a passion for music and can offer their expertise.

Appreciations and making a stand

Each week we will be sharing some of our appreciations from the children following their special 'Crew' assembly. The children will also have the opportunity to make a stand which will be shared with our school council team to decide on an action for these.

Chase—I appreciate the school and what we have.

Francesca—I appreciate life and what people give you.

Can we had new parts to our trim trail.

Can we create a reading area on the playground.

Attendance :

95%

Each week we will report on the whole school attendance, every half term a class will be nominated with the best attendance for a non uniform day. We will also award half termly attendance for 100%, 97% + and improved attendance certificates.
