Spring Show Tuesday 11th March

Headteachers Update

Dear Captains Close families,

I hope you all had a joyful and restful Christmas break. It's wonderful to see everyone back in school, refreshed and ready for an exciting start to the new year. On behalf of all the staff, I'd like to wish you a very happy 2026!

New Families Join Our Community A warm welcome to the nine new children and their families who have joined the Captains Close community this term. We are delighted to have you with us, and I must praise the fantastic, positive start the children have made in their new classes. It's been lovely seeing them settle in so quickly and make new friends.

Settling In and Embracing Change The children have adapted brilliantly to the new term and are already enjoying some changes and new furniture in our classrooms. Their enthusiasm for the refreshed learning spaces has been a joy to see, and we're so proud of how everyone has embraced the updates.

Spring Show and Sporting Spirit There's a definite buzz around school as we begin preparations for our Spring show we will be sharing more information on this but the dance choreography has begun. Alongside this, our sports teams are gearing up for a series of upcoming competitions, so be sure to watch this space for further communication about the sports events and also the sky theatre dance competition.

Young Voices Choir Takes the Stage We're thrilled that our Young Voices choir will be performing at the BP Pulse Birmingham arena on 15th January. This is a fantastic opportunity for our singers to shine on a big stage, and I know they're looking forward to representing Captains Close with pride.

Championing Community Causes I'm incredibly proud of our children's recent advocacy work as they campaign to keep Melton Theatre open and support the creation of a dedicated SEN college for 16 to 25-year-olds. Their heartfelt letters, creative posters, and recorded messages have caught the attention of the Melton Times, which will feature their efforts in an upcoming article. What an inspiring example of pupil voice in action!

Awards and Achievements We are absolutely delighted to announce that Captains Close, our hockey team, and pupils Jake and Libbie have all been named finalists in the 'Let's Get Moving Melton Awards'. These nominations are a testament to our students' commitment, teamwork, and sporting spirit. We wish everyone the very best of luck for the awards evening on 23rd January—fingers crossed for a win!

A quick reminder to keep your Arbor permissions updated, particularly for sharing pictures on Social media—We will be taking lots of photos during the upcoming events, but can only share your child's face if you consent online.

As we look ahead to the weekend, I wish you all a safe and enjoyable time—perhaps with a bit of snow fun if the weather allows! Thank you for your continued support and for making our school such a special place.

Warm regards

Mrs Willcock
