Do you know of anyone looking for a school place? We are more than happy to welcome any families to look around our lovely school. This includes our pre-school. Please feel free to call the office and book a show round!

Headteacher's Spring Term Update

Dear Parents and Carers

As we come to the end of a wonderfully vibrant Spring Term, I want to take a moment to celebrate the incredible achievements, events, and community spirit that have filled our school over the past few months. It has truly been a term full of energy, creativity, and togetherness.

Our children rose to the occasion during the Sky Challenge, showing confidence, teamwork, and real determination. Their performances were nothing short of inspiring, and we are so proud of every pupil who took part. Year 3 brought reading to life with their fantastic Booknic. It was lovely to see pupils sharing stories, discussing their favourite books, and celebrating the joy of reading in such a warm and engaging way.

A huge thank you to everyone who joined us for our coffee morning. It was a great success and a wonderful opportunity for families, staff, and the wider community to connect. World Book Day was, once again, a highlight of the term. The children's creativity absolutely shone through—from imaginative costumes to brilliant book-themed activities. The enthusiasm for reading across the school was amazing to see.

This year's Spring Show was incredible—even more impressive than last year. The standard of performances was outstanding, and it was clear how much hard work, dedication, and passion went into every moment on stage. Our pupils truly outdid themselves. Year 4 hosted another wonderful Booknic, with pupils proudly sharing their favourite reads. Year 2 also wowed us with their assembly, demonstrating confidence, teamwork, and fantastic learning. Both year groups should be extremely proud.

Our Easter Service was a beautiful celebration of reflection and community. It was heart-warming to see the whole school and so many families come together to mark this special time of year. Our Easter Raffle was a huge success, with an astonishing number of eggs donated. Thank you to everyone who contributed; your generosity helped make the event exciting and memorable for the children.

We also want to give a very special mention to Mr Collins, who completed his incredible challenge this term. His dedication, determination, and passion for supporting such an amazing cause have been truly inspirational.

We are all so proud of you — and you should be so proud of yourself too.

GO MR COLLINS!

Thank you for your continued support throughout this busy and joyful term. I wish all our families a happy, restful Easter break, and I look forward to seeing everyone refreshed and ready for the summer term ahead.

Warmest wishes,
Mrs Willcock

Miles for Minds

Mr Collins is raising money with a three-day ultramarathon challenge for children's mental health!

WELL DONE MR COLLINS!

There is still time to donate—every penny counts!

Supporting your child with their anxious feelings

Supporting your child's worries is hard but together we will try to make this feel a little easier and help you feel that you have a way forward.

Does your child ask you for a lot of reassurance?

As a family do you find yourselves making lots of changes to how you do things because of your child's worries?

Have there been times when your child has refused to do things or go places because they are too worried?

Do you have a child who worries a lot about different things?

If the answer to one or more of these questions is yes, then this webinar is for you! The webinar will talk about why it is so hard not to respond to your child's anxieties as a parent or carer and why sometimes we may end up doing too much or making too many accommodations (changes) for our child. We will discuss reassurance, your child's worries, thinking patterns. Finally, we will discuss '7 Confident Thoughts' for you to hold in mind as you support your child.
