YOUNG VOICES

Imagine your child singing as part of a choir of up to
9,000 children in a major arena near you!

With Young Voices, your child will learn the songs in
school as part of their choir. Along the way, you'll both
have access to online resources at home – perfect for
practising the music and dance moves together and
making the journey even more fun.

After weeks of rehearsal, your child will join up to 9,000
others at a major arena near you. They'll rehearse
together for the first time on the day, before performing
in a spectacular evening concert with special guests,
amazing sound and lighting, and a full arena audience.

As a parent, you'll be in that audience – cheering them
on and sharing in an unforgettable moment of pride,
joy and celebration!
