# School Update

## Colour Dash 2026!

We cannot wait for another colour dash! This years theme is **BUBBLES!** All children should have been sent home with their sponsor forms. On the day, children will need to bring in a **CHANGE OF CLOTHES** in a labelled bag. Children cannot take part without this!

Anything you don't mind getting messy! Including shoes!

If your child cannot or does not want to take part, please do ensure this is communicated to their teacher. LCH is a wonderful charity and we would love to raise even more than last year!

## Headteacher Update

Good afternoon

It has been a busy and exciting week across school.

Our **EYFS and Preschool** children enjoyed a wonderful *super assembly*. Thank you to the team for making this such a positive experience for our youngest learners.

Across school, classes have been busy preparing for our **special assembly celebrating Sir David Attenborough's 100th birthday**. The children have shown great enthusiasm and curiosity while learning about the natural world. We can't wait to share some pictures with you.

We would also like to make families aware that **chicken pox is currently spreading** in the community and has even reached my own household. Please remain vigilant for symptoms and keep children at home if they are unwell.

Next week is **SATs week for our Year 6 pupils**. The children and the team have worked incredibly hard, and we are so proud of their efforts. We know they will approach next week with confidence and resilience.

We love to celebrate our children's experiences or talents outside of school, please continue to send them in so we can celebrate them with the class or on our special media.

*For our Year 6 children:*

Try your best, that's all you can do,  
We already feel so proud of you.  
Remember to breathe, take your time,  
You've practised, prepared – you'll be just fine.

Mis Willcock and the team
