Dear Parents and Carers,

It has been another exciting and busy week here at Captain's Close, with lots of wonderful opportunities for our children to learn, grow and enjoy new experiences. With the start of the World Cup, we marked the occasion with a special themed menu yesterday, which was thoroughly enjoyed by the children. A huge thank you to our fantastic kitchen team for their hard work in making this such a success.

We were also delighted to welcome our newest Captain's Close pupils this week as they attended their first transition session. It was lovely to see them becoming familiar with the school environment, and we look forward to seeing them again very soon.

Our current pupils have been full of energy and enthusiasm as they took part in a range of Mini Olympic activities this week. It has been wonderful to see teamwork, resilience and sportsmanship on display. In addition, Mrs Parker has been working hard supporting children in their preparation for Sports Day, while Mrs Palmer has been busy organising the groups for the big event. Parents are warmly invited to attend Sports Day, which will take place in the afternoon—Letter is attached to this weeks arbor email update.

Alongside all of these exciting events, the children have continued to work incredibly hard in the classroom. Many have been completing their Multiplication Tables Check (MTC) and phonics assessments, alongside their usual rich and engaging learning experiences. We are very proud of their efforts and positive attitudes.

We would also like to take a moment to thank you all for the kind and supportive comments we have received recently. Your encouragement means a great deal to us. As always, if you have any questions or concerns, please do not hesitate to speak with your child's class teacher or contact the school office via email. The Senior Leadership Team is always happy to arrange appointments where needed—working positively together with parents and carers is crucial, as we all share the same goal of providing the very best for our children.

Looking ahead, we have an exciting few weeks planned—with just three weeks and two days to go until the end of term! There are many fantastic activities and events coming up. Please remember that our full calendar is available on the school website, with weekly reminders shared in these updates and regular news posted on our Facebook page.

Thank you, as always, for your continued support.

Yours sincerely,  
Mrs Willcock
