Pupils will be taking part in BBC Leicester's **Our Planet, Our Pledge: Celebrating 100 years of Attenborough**. We will be hosting a launch assembly on 4.05.26 and involving all of our children in Attenborough related tasks, ready to celebrate his birthday on **Friday 8th May!**

In the **afternoon of the 8th**, we would like to invite parents, grandparents, and our whole community to join us for a VE day coffee afternoon at **2pm** where you will be able to celebrate with us over cakes, biscuits and a brew! We hope to showcase our BBC pledge work the same afternoon in a double celebration!

Children and adults are welcome to dress in red, white and blue!

We would much appreciate any cakes baked or brought – We can't wait to celebrate with you!

Head Update

Dear Parents and Carers,

It has been a lovely first two weeks back at school, and it has been wonderful to see the children settled and working so positively.

We have had a very busy coffee morning today, and it was fantastic to see so many people there. Thank you to everyone who attended and to those who so generously donated cakes – they were very much appreciated.

We are now looking forward to our next **coffee afternoon**, which will be held on **Thursday 8th**, in place of our usual morning session. This event will celebrate **VE Day** as well as **Sir David Attenborough's 100th birthday**, and we would love to see you there again for what promises to be a lovely community afternoon.

With **SATs week** approaching, we would like to say how incredibly proud we are of our Year 6 pupils and the hard work they are putting into their preparations. Attendance is always important, but it is especially crucial in the weeks leading up to SATs, as we can only provide our full support when children are in school each day.

We also have a number of trips coming up this term. Please can we remind parents to ensure that payments are made sooner rather than later. Our current Year 6 trip is still **£300 short**, and unfortunately, we may have to make a decision about whether the trip can go ahead if contributions are not received. Thank you to those families who have already paid. The Warning Zone is a fantastic opportunity and experience for the children, but we can only take them if sufficient contributions are made.

As the sunshine keeps trying to make an appearance, please ensure children are dressed appropriately for warmer weather. This includes applying sunscreen before school on hot days and sending children in with a sunhat. Please also remember that PE tops are still available to purchase and may be worn as part of the school uniform on very hot days as we head towards the summer term. Please do ensure that correct uniform for PE days and Non-PE days is followed, we have had several variations including football kit or branded t-shirts, children will be asked to change in to spares if they do not have the correct uniform on - FOACC do have uniform for sale should you need it.

Thank you, as always, for your continued support.
Have a fabulous weekend.

Kind regards,

Mrs Willcock
