School Trips and Enrichment Opportunities

Our teachers and office staff work hard to plan exciting trips and enrichment opportunities well in advance, giving families as much time as possible to spread the cost. We keep prices as low as we can through support from FOACC, applying for grants and funding, and careful budgeting.

We also offer payment plans so costs can be paid in smaller instalments, and classes will be fundraising throughout the year to help support trips. However, **parental contributions remain essential** and, unfortunately, if we do not receive enough contributions, a trip may need to be cancelled.

Dear Parents and Carers,

As we begin a new school year, I would like to extend a very warm welcome to all our families, especially those joining us for the first time.

Firstly, I would like to congratulate our Year 6 children on their SATs results. We are very proud of all they have achieved and hope they settle quickly and successfully into their new secondary schools. We wish them every happiness and success for the future.

Over the summer, many members of staff and volunteers have worked hard behind the scenes to ensure our school is ready, welcoming and inspiring for the children. I would like to thank everyone who has helped prepare for the new academic year.

We are also delighted to welcome several new members of staff to the Captains Close team and look forward to introducing them to our school community.

I would like to share that **Mrs Scott has made the difficult decision to leave Captains Close to take up a new role.** Mrs Scott has asked me to pass on her sincere thanks to all of the families she has worked with during her time here. She has greatly enjoyed being part of the children's learning and development, watching them grow in confidence and achieve their individual goals. Mrs Scott has said that the support, kindness and positive relationships she has shared with our children and families have made her time at Captains Close truly special, and she wishes everyone every success and happiness for the future. We thank Mrs Scott for her dedication and wish her all the very best in her new role. During the recruitment process for a pre-school manager, we are in the safest of hands with Jo Venables from central team. She is the Pre-school operations and quality lead.

You will notice some improvements around the school, including new resources for our Preschool and EYFS children. We are still awaiting the arrival of some exciting new resources for our outdoor spaces and hope these will be in place soon.

A reminder that PE days can be found on the front page of the newsletter. Please ensure children come to school in their PE kit on PE days and wear full school uniform on all other days. Uniform expectations can be found on our website and in the transition information booklet.

A reminder the school day starts at 8:45 and gates are open from 8:35! Each child who is an attendance hero (Here, Every day, Ready to learn, On time) will receive a Dojo each day.

Thank you for your continued support. We look forward to another happy, successful and rewarding year at Captains Close Primary School.

**Yours sincerely,
Mrs N Willcock**
