Headteacher's Update – A Week of Positivity and Progress!

Dear Parents and Carers,

I hope this message finds you well. There's a wonderful buzz around school at the moment, and I wanted to share some of the highlights with you.

We are incredibly sorry to let you know that, due to the weather forecast, we have had to **cancel the Funday** planned for this Saturday. We know this will be disappointing news, but the safety and enjoyment of our families is our top priority. The event is being **re-scheduled**, and we will be in touch with further information as soon as possible.

Meanwhile, across school, the children have been working extremely hard and showing great enthusiasm in all areas of learning. We've been placing a special focus on **hand-writing**, and we'll soon be sharing a consistent format with each class to support progress and confidence in this area.

We're also thrilled to let you know that we've had **new IT equipment installed throughout the school**, along with upgraded broadband. This has significantly improved access to OneNote, which had been causing a few hiccups — thankfully, those issues have now been resolved. It's wonderful to see the children engaging with their digital learning tools more smoothly and effectively.

There's a **positive atmosphere** flowing through every corridor and classroom, and it's a real testament to the dedication of our staff and the brilliant attitude of our pupils.

Thank you for your continued support — we'll keep you updated on the new date for the Funday and look forward to seeing you all soon.

Warm regards,

Mrs Willcock
