# School Update

Well done to our two fabulous 'Strange Place' book readers who have each won a £5 voucher to spend at the book fair! I am sure you will agree that reading inside a giant onion, or surrounded by sharks are very strange places... but there is no stopping these keen readers! Congratulations!

## Headteacher Update

Dear Parents, Carers, and Families,

As we reach the close of our Autumn 1 term, I want to extend my heartfelt thanks to all our staff, students, and families for your continued support, enthusiasm, and hard work. It has been a truly successful half term, filled with learning, achievement, and wonderful community spirit.

### **Community Fun Day – A New Tradition**

One of this term's highlights was undoubtedly our Community Fun Day. The joy and laughter shared by everyone made it a resounding success. Thank you to all the families, staff, and friends who came along, volunteered, and contributed to the festive atmosphere. We are delighted to announce that, due to popular demand, the Fun Day will now become an annual event. We look forward to building on this tradition together!

### **Parent Survey Feedback – Listening and Acting**

Last summer, many of you took the time to complete our parent survey, sharing valuable feedback about your experiences with the school. We are grateful for your honesty and suggestions. Thank you for your partnership in shaping a better school community for our children.

### **Celebrating Achievements – Sports and Esports Success**

This term has seen fantastic participation in sports, with our teams representing the school proudly at local events. We are particularly excited about the introduction of new sports festivals, which have offered fresh opportunities for all pupils to get involved. Congratulations to everyone who took part!

Our children have also thoroughly enjoyed the start of our new esports events, which have brought a fresh sense of excitement and healthy competition to the school. Each half term, we will be hosting an esports event, encouraging even more pupils to get involved and showcase their talents. We look forward to seeing greater participation as these events continue throughout the year.

### **Parent Code of Conduct – Working Together**

We are grateful for the overwhelming support from our parent community. However, we have had to address a small number of concerns regarding behaviour towards staff and sometimes parent to parent. May I take this opportunity to remind everyone of our Parent Code of Conduct, which sets out our expectations for respectful and positive engagement. Together, we can ensure a safe, welcoming environment for all. Thank you for your continued partnership.

## **Looking Ahead – Upcoming Events & Volunteering**

Next term promises to be equally exciting, with a host of events for children and families to enjoy:

Nativity Performance – Don't miss our annual celebration of the Christmas story.

Christmas Carol Service – Join us in song to mark the festive season.

Sky Challenge Choir Performance – Our Year 3, 4, 5 + 6 will be performing in this special event (yr 5 and 6 not on the residential).

Halloween Disco – A fun-filled party for the children; we're looking for volunteers to help decorate and support on the night.

If you are able to assist with decorations or lend a hand at any of these events, please do get in touch with the office. Your help makes a real difference!

## **Calendar and Reminders**

A gentle reminder to check our year calendar on the school website for all upcoming dates and details. We don't want anyone to miss out on the fun and festivities lined up for next term.

Wishing You a Happy Half-Term

On behalf of all the staff, I wish you and your families a restful and enjoyable half-term break. We look forward to welcoming everyone back to school on Monday, 3 November.

Thank you once again for your support, kindness, and community spirit.

Warm wishes,

Mrs Willcock
